

FACTS ABOUT

ST. JOSEPH'S BEHAVIORAL HEALTH CENTER

St. Joseph's Behavioral Health Center is a licensed nonprofit psychiatric hospital serving central California. We offer a 35-bed inpatient hospital, day treatment programs, and outpatient services. Our staff of specially trained professionals are committed to providing compassionate, quality care and creating an atmosphere that fosters communication, trust and personal growth. For over 25 years our focus has been maintaining the behavioral health of the communities we serve and the provision of care for those requiring treatment and after care for behavioral disorders. Treatment works and our philosophy is "adding life to years."

For more information on our outpatient services, groups' information and current calendar offerings, call (209) 938-0831.

FACTS WORTH NOTING

Behavioral Evaluations — formerly known as Crisis Assessments, are provided as a community service 24-hours a day, 365 days a year at NO CHARGE. Appointments are encouraged, however walk-ins are welcome. Arrangements can be made for evaluations at a doctor's office or a patient's residence on a non-emergency basis.

St. Joseph's Behavioral Health Center is affiliated with St. Joseph's Medical Center in Stockton for additional medical services.

OUR MISSION

Dignity Health and its sponsoring Congregations are committed to furthering the healing ministry of Jesus. Our mission is to deliver compassionate, high-quality, affordable health services to our sisters and brothers who are poor and disenfranchised and to advocate on their behalf; and partner with others in the community to improve the quality of life.
